## WHY TO STUDY OCCUPATIONAL THERAPY AT THE LITHUANIAN UNIVERSITY OF HEALTH SCIENCES ?

- Clinical skills developed in the largest clinical hospital in the Baltic States;
- Degree and professional qualification recognized in EU;
- Multicultural environment and student community: international students from 48 different countries make up nearly 10% of the total student population at LSMU;
- Occupational Therapy programme is approved by World Federation of Occupational Therapy;
- Possibility to spend a semester abroad with the Erasmus+ exchange programme;
- Support system for students' adaptation: mentoring, tutoring and psychological counselling;
- Problem-based learning curriculum, which allows students to solve clinical cases, conduct research, discuss and present hypothetical theories, solutions or recommendations;
- Small groups, i.e. up to 10 students, in clinical courses.
