First Aid	5	132	90	42
Fundamentals of Health Care and Nursing	5	134	100	34
Theory and Models of the Occupational Therapy	6	160	120	40
1st year				
2nd semester	30	800	600	200
Philosophy, Ethics	6	160	120	40
Sociology	3	80	60	20
Professional Language	3	80	60	20
Anatomy	6	160	120	40

Theory and Models of the Occupational Therapy II	9	240	180	60
Practice	3	80	60	20
2nd year	60	1600	1200	400
1st semester	30	800	600	200
Psychology	3	80	60	20
Professional Foreign Language	3	80	60	20
Physiology	6	160	120	40
Kinesiology	6	160	120	40
Biomechanics	6	160	120	40
Methods of Education in Occupational Therapy	3	80	60	20
Elective Course	3	80	60	20
2nd year				
2nd semester	30	800	600	200
Professional Language	3	80	60	20
Pathology	6	160	120	20
Practice	6	160	120	40
Communication	3	80	60	20
Rehabilitation	6	160	120	40
Elective Course	3	80	60	20
Elective Course	3	80	60	20
3rd year	60	1600	1200	400
1st semester	30	800	600	200
Ergonomics and Human Occupation	6	160	120	40
Occupational Therapy in Physical Dysfunction I	12	320	240	80
Fundamentals of Physical Therapy	3	80	60	20
Psychosocial Rehabilitation in Community	6	160	120	40

Elective Course	3	80	60	20
3rd year				
2nd semester	30	800	600	200
Social medicine and Health care management	6	160	120	40
Occupational therapy in Physical Dysfunction II	9	240	180	60
Occupational therapy in old age	6	160	120	40
Elective course	3	80	60	20
Practice	6	160	120	40
4nd year	60	1600	1200	400
1nd semester	30	800	600	200
Informatics and Methodology of scientific research	6	160	120	40
Occupational therapy in psychiatry	6	160	120	40
Occupational therapy in paediatric	6	160	120	40
Gerontology	3	80	60	20
Final work	3	80	60	20
Practice	6	160	120	40
4nd year				
2nd semester	30	800	600	200
Practice	18	480	360	120
Final work	9	240	180	60
Elective course	3	80	60	20
Total	240	6400	4780	1620
