

EPLVSV- 275/204 LAAAOD

The Embassy of Colombia in Poland presents its compliments to the Honorable Ministry of Foreign Affairs of Lithuania and has the honor to inform that the Colombian Institute of Educational Credit and Technical Studies Abroad - ICETEX-, opened a General Scholarship Call by which the Government of Colombia gives non-reimbursable financial grants to foreign citizens interested in advancing post-graduate studies in Colombian universities.

The Embassy of Colombia would like to stress that the detailed information on the conditions and the application process for these scholarships is in Spanish, because one of the main requirements for the candidates is the domain of this language. Calls can be consulted at the website of the Colombian Institute of Educational Credit and Technical Studies Abroad, part dedicated to the scholarships for foreigners, or directly at the following link: <http://www.icetex.gov.co/dnnpro5/es-co/becas/extranjerosencolombia/becasparaposgrado/convocatoriageneral.aspx>.

The Embassy of Colombia kindly requests to the Honorable Ministry of Foreign Affairs the dissemination of this information to the interested education sector and public entities, among others.

The Embassy of Colombia in Poland avails itself of this opportunity to renew to the Honorable Ministry of Foreign Affairs of Lithuania the assurances of its highest consideration.

Warsaw, 27 October 2015

The Honorable  
Ministry of Foreign Affairs of Lithuania  
Vilnius
