

INTERNATIONAL CONFERENCE PROGRAMME „Autologous Hematopoietic Stem Cell Transplantation – current situation and future trends”

Thursday, 12th May 2016
Lithuanian university of Health Sciences
Centre for the Latest Pharmaceutical and Health Technology
203 Auditorium, Sukileliu av. 13, Kaunas

09:00 – 10:00 Registration | Sponsors Exhibition

10:00 – 10:15 Welcome speech and opening of the conference | *TBA*

Chairpersons: *Prof. Elona Juozaityte, Kaunas, Lithuania, Prof. Dietger Niederwieser, Leipzig, Germany*

10:15 - 10:35 Autologous HSCT in multiple myeloma: First experience in Kaunas | *Assoc. Prof. Rolandas Gerbutavicius, Kaunas, Lithuania*

10:35 – 10:55 Latvian experience in autologous HSCT for multiple myeloma | *Dr. Ilze Trociukas, Riga, Latvia*

10:55 – 11:15 Estonian experience in autologous HSCT for multiple myeloma | *Prof. Hele Everaus, Tartu, Estonia*

11:15 – 11:55 The role of transplantation in lymphoma in the context of new drugs | *Prof. Norbert Schmitz, Hamburg, Germany*

11:55 – 12:00 Questions and answers

12:00 – 13:00 Lunch | Sponsors Exhibition

Chairpersons: *Prof. Sandra Lejniece, Riga, Latvia, Dr. Vladan Vucinic, Leipzig, Germany*

13:00 – 13:40 The role of Autologous HSCT in newly diagnosed and relapsed myelomas in the context of new drugs | *Prof. Laurent Garderet, Paris, France*

13:40 – 14:20 Myeloma and the role of autologous HSCT | *Prof. Jerzy Holowiecki, Gliwice, Poland*

14:20 – 15:10 Is Autologous HSCT enough for the treatment of multiple myeloma? | *Prof. Gosta Gahrton, Stockholm, Sweden*

15:10 – 15:30 Coffee break | Sponsors Exhibition

Chairpersons: *Prof. Hele Everaus, Tartu, Estonia, Assoc. Prof. Rolandas Gerbutavicius, Kaunas, Lithuania*

15:30 – 16:00 Case Report (POEMS) | *Prof. Kestutis Petrikonis, Dr. Domas Vaitiekus, Kaunas, Lithuania*

16:00 – 16:40 Autologous HSCT in solid tumors | *Prof. Marco Bregni, Busto Arsizio, Italy*

16:40 – 17:20 New techniques in mobilization | *Dr. Vladan Vucinic, Leipzig, Germany*

17:20 – 17:35 Ruxolitinib in the era HSCT | *Dr. Nadja Jäkel, Leipzig, Germany*

17:35 – 18:15 Future of stem cell transplantation, cellular therapy | *Prof. Dietger Niederwieser, Leipzig, Germany*

18:15 – 18:30 Concluding remarks
